

| Robot                          | Quantità | Link  |
|--------------------------------|----------|---|
| Arduino Nano con pin e USB C   | 1        | <a href="https://it.aliexpress.com/item/1005006053215107.html">https://it.aliexpress.com/item/1005006053215107.html</a> |
| Millefori                      | 1        | <a href="https://it.aliexpress.com/item/1005006431768400.html">https://it.aliexpress.com/item/1005006431768400.html</a> |
| strip maschi e femmina         | 1 kit    | <a href="https://it.aliexpress.com/item/4000873858801.html">https://it.aliexpress.com/item/4000873858801.html</a>       |
| kit saldatore                  | 1        | <a href="https://it.aliexpress.com/item/1005005391946895.html">https://it.aliexpress.com/item/1005005391946895.html</a> |
| stagno 60/40 diametro 0.5      | 1        | <a href="https://it.aliexpress.com/item/1005006035705767.html">https://it.aliexpress.com/item/1005006035705767.html</a> |
| kit resistenze                 | 1 kit    | <a href="https://it.aliexpress.com/item/1005006143425537.html">https://it.aliexpress.com/item/1005006143425537.html</a> |
| kit condensatori               | 1 kit    | <a href="https://it.aliexpress.com/item/1005006029017449.html">https://it.aliexpress.com/item/1005006029017449.html</a> |
| Servo SG90 180°                | 4        | <a href="https://it.aliexpress.com/item/1005006379480535.html">https://it.aliexpress.com/item/1005006379480535.html</a> |
| Alimentatore 5V 3A             | 1        | <a href="https://it.aliexpress.com/item/4000433119623.html">https://it.aliexpress.com/item/4000433119623.html</a>       |
| Potenziometro 100k             | 4        | <a href="https://it.aliexpress.com/item/1005006157136051.html">https://it.aliexpress.com/item/1005006157136051.html</a> |
| Filo multicolore AWG30         | 1 bobina | <a href="https://it.aliexpress.com/item/1005003030454767.html">https://it.aliexpress.com/item/1005003030454767.html</a> |
| Filo rame nudo diametro 0.5 mm | 10m      | <a href="https://it.aliexpress.com/item/1005005956713013.html">https://it.aliexpress.com/item/1005005956713013.html</a> |
| Pulsanti PCB                   | 2        | <a href="https://it.aliexpress.com/item/1005001629272642.html">https://it.aliexpress.com/item/1005001629272642.html</a> |
|                                |          |   |
| PCA9685 driver servo I2C       | 1        | <a href="https://it.aliexpress.com/item/1005005594460846.html">https://it.aliexpress.com/item/1005005594460846.html</a> |
| Display OLED da 1.3 "          | 1        | <a href="https://it.aliexpress.com/item/1005005967766159.html">https://it.aliexpress.com/item/1005005967766159.html</a> |
| PN532 NFC RFID                 | 1        | <a href="https://it.aliexpress.com/item/1005005973913526.html">https://it.aliexpress.com/item/1005005973913526.html</a> |
| Pico RP2040 16M                | 4        | <a href="https://it.aliexpress.com/item/1005003708090298.html">https://it.aliexpress.com/item/1005003708090298.html</a> |
| ESP32 C3                       | 1        |   |
| Termorestringente 2 mm         |          | <a href="https://it.aliexpress.com/item/1005004578425458.html">https://it.aliexpress.com/item/1005004578425458.html</a> |
